

Chapter 2 How to Keep Your License

Keeping your License

Suspension: Means that your license is taken away from you for some time

Revocation: Your license is revoked, you will need to apply for another one

If you drive without being insured your license will be revoked.

There is also the point system. If you get more than 11 or more points within 18 months, then your license will be suspended.

You will be fined if you drive while under suspension or revocation!
